The Floc Beauty invites you to rediscover the Floc de Gascogne, a sweet and sensual aperitif through a bright yellow cocktail. With the aromatic power of this spirit from the French terroir, gin adds strength while remaining in the floral bouquet, the white grape juice accentuates the origins of this liqueur wine, all highlighted by a dash of acidity and aromas unveiled by the basil leaf. A light and floral blend with feminine aromas, a glamorous cocktail in the air.

Tip: If you do not have basil leaves you can replace this ingredient with basil syrup, 0.5 cl will suffice to make your cocktail.
